YAYASAN SABAH GROUP SETS VISION FOR GROWTH

KOTA KINABALU (Wednesday): Yayasan Sabah Group convened its Management and Subsidiary Retreat from 7 to 9 May 2024 in Karambunai. The event marks a pivotal moment in the Yayasan Sabah Group's strategic growth and excellence journey.

In his speech, the Executive Chairman of Innoprise Corporation Sdn. Bhd. (ICSB), Datuk Jasnih bin Daya expressed gratitude to all participants and highlighted the significance of the retreat in reinforcing the Yayasan Sabah Group's commitment to its core objectives.

Emphasising the importance of aligning efforts with the Sabah Foundation Enactment 1966, Datuk Jasnih underscored the imperative for subsidiary investments to remain profitable while contributing meaningful dividends to the Yayasan Sabah Group.

He also reiterated, "In mapping out future business plans, we must find new markets, technologies, and business models while staying true to the values and principles that have guided us all these years."

"During these three days, each subsidiary CEOs will present their five-year business plan (2024-2028). I invite everyone in attendance to give constructive comments during the presentation session. This retreat, in line with the Chief Minister of Sabah cum Chairman of the Yayasan Sabah Board of Trustees, Datuk Seri Panglima Haji Hajiji bin Haji Noor's call, is not just a necessity but a significant opportunity. It allows us to step away from our daily routines and focus on strategic planning, team building, and personal growth. This is not

only critical to our long-term success but also marks a pivotal moment in shaping the future of ICSB's large family of various entities," he concluded.

The three-day retreat aims to foster collaboration and synergy among the Management of ICSB and its subsidiaries to enhance performance and drive sustainable growth. Participants will engage in strategic discussions to identify opportunities, address challenges, and formulate actionable plans to propel the Yayasan Sabah Group towards sustainable success through collaboration and innovation.

Also in attendance was the Director of Yayasan Sabah, Dato' Sri Haji Gulamhaidar bin Khan Bahadar.

As the retreat concludes, the Yayasan Sabah Group is poised to implement strategic initiatives to optimise investments, enhance business performance, and drive socioeconomic progress in Sabah.

The Yayasan Sabah Group remains steadfast in its mission to empower communities and foster sustainable development across the state.
