YAYASAN SABAH GROUP'S MANAGEMENT COMMITTED IN OCCUPATIONAL SAFETY AND HEALTH ASPECTS AT WORKPLACE

KOTA KINABALU (Monday): The Yayasan Sabah Group's Management consistently emphasises the importance of Occupational Safety and Health (OSH) aspects in the workplace. The goal is to protect workers from accidents, injuries, and exposure to hazardous substances by identifying and reducing workplace hazards.

On this note, a total of 47 OSH Liaison Officers have been appointed as informants on occupational health and safety issues. They are responsible for assisting in conducting inspections at their respective offices in the event of accidents.

Safety jackets were presented to OSH Liaison Officers by the Director of Yayasan Sabah, Dato' Sri Haji Gulamhaidar bin Khan Bahadar on 12 August 2024 at a ceremony held at the Tun Hamdan Theatre, Menara Tun Mustapha.

During the same ceremony, two wheelchairs were also handed over by Dato' Sri Haji Gulamhaidar to be placed at the Menara Tun Mustapha Security Counter and the Wisma Innoprise Security Counter for emergency purpose.
