THE IMPORTANCE OF ERGONOMICS IN THE PUBLIC SECTOR

KOTA KINABALU (Friday) : Yayasan Sabah Group organised a talk titled 'The Importance of Ergonomics in the Public Sector' on 12 September 2024, in conjunction with the Occupational Safety and Health Month 2024. The talk was attended by 92 staff members of Yayasan Sabah Group.

The talk delivered by Chief of Section, Industrial Hygiene and Ergonomics Division, The Department of Occupational Safety and Health (DOSH) Sabah, Ts. Christy Claire De Guzman addressed how public sector organisations can enhance productivity, health, and job safety through the implementation of ergonomic principles. She also encouraged smart investments in ergonomic solutions as a means to create a healthier, more productive, and sustainable work environment, with the goals of preventing workplace injuries, improving efficiency, reducing absenteeism, and increasing job satisfaction.
